If your printer does not appear in this chart, please visit www.c-m-y-k.com for specific ink compatibility.

- Bordeaux proprietary Mix & Match™ concept, enabling on-the-fly conversion of the original ink to Bordeaux without the need to flush, replace parts or perform new color profiles in most configurations. The "Mix" only technology, enables conversion of specified OEM inks to Bordeaux without the need to flush or replace parts.
- Vivid Magenta (Vm) not included in Mix & Match concept
- Bordeaux product names have been updated. New names appear in bold, previous names in parenthesis.
